DETAILED ACTION

This notice of allowance is responsive to the after final amendment filed 28 April 2009.

Claims 1-31 and 40-47 are cancelled. Claims 32-39 and 48-51 are allowed.

Response to Arguments

The rejections of claims 40-47 under 35 USC are rendered moot as the aforementioned claims are cancelled.

The rejection of claims 41-47 under 35 USC 112, second paragraph are rendered moot as the aforementioned claims are cancelled.

Allowable Subject Matter

Claims 32-39 and 48-51 are allowed. Pursuant to 37 CFR 1.109 and MPEP 1302.14, the following is an Examiner's Statement of Reasons Allowance. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statements of Reasons for Allowance".

Claims 32-39 and 48-51 are considered allowable. Applicable prior art discloses the disconnection of processor links in a processor clustering environment. However, Examiner asserts that the prior art of record fails to explicitly teach or suggest "disabling

link layer communications associated with the first processor cluster, wherein the first processor cluster is disconnected after disabling link layer communications associated with the first processor cluster" and "maintaining physical layer communications associated with the first processor cluster to allow connection of a replacement processor cluster". Therefore, the Examiner asserts that these features are patentably distinct and non-obvious over the prior art.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LASHANYA R. NASH whose telephone number is (571)272-3957. The examiner can normally be reached on 9am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ario Etienne can be reached on (571) 272-4001. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
